President

Fairfax, Virginia 22031

Dear Mr. DiMeglio,

On the evening of 16 December 1985, the Agency had a ceremony for Congressman Boland. The Vice President of the United States was present for the ceremony and reception that followed.

Since we in the Agency were not given very much notice that there would be a reception, we were unable to provide GSI with adequate advance notice. Nevertheless, Judy Stevenson and her staff came through with flying colors. The reception was held in the Agency's North Cafeteria. All of the arrangements and food were outstanding, thanks to Judy and her staff.

I want to extend my thanks to GSI and particularly Judy and staff who made the reception a real success. Their support is greatly appreciated.

Sincerely,

[Redacted Signature]
